Get Ready | My High School Planning

Use this form as you read through the course descriptions in the detailed course guide and select possible courses. Blank spaces are for adding complementary courses, and if English is not your first language, take English as Second Language (ESL) courses. List your initial choices. Make a plan; revisit your plan; change the plan if necessary.

What if I Don't Know What I Want to do After High School?

- You are still on a path to exploring your strengths and passions
- Not everyone knows what they would like to pursue. It may be that you start with what you like for now and what you would like to try and start there. You may not know a specific career you want to pursue but you know a general area you would like to study.

Researching Post-Secondary Requirements and how it Supports your Course Selections

- Should you decide to go to a Post-Secondary institution you will need to research each institution you would consider applying to and see what courses the institution considers for admission.
- Essentially you research the faculty/program at each Post-Secondary institution as admission requirements can vary and do change year to year.
- See what might keep your doors open
- See what might give you a competitive advantage in applying. For example, could you use Math 30-2 to get into your desired program?
- You may decide if a diploma or a degree is a better starting point for you.

Which Grade 12 Courses are Universities Considering?

- Most universities consider 5 courses, one of which will be English 30-1.
- Faculties at each university will have admission requirements.
- Many universities outside of the province of Alberta will **not** consider grade 12 complementary courses for admission. Students/families need to research and understand what courses will be considered for admission to your faculty/university of choice.
- Within Alberta some Post-Secondary institutions will consider complementary courses for admission.
- [The Alexander Rutherford Scholarship](#) will consider most complementary courses.

Involve your Parent/Guardian

- Information is at your fingertips online
- Involve your parent/guardian in looking at career paths and possible Post-Secondary institutions

Selecting Courses

When selecting courses you are thinking of the courses to complete high school as well as courses you need for your Post-Secondary plan.

CALM

- If for any reason you do not complete CALM this year you will need to do it online through CBe-Learn, possibly over the summer.
- Talk to your guidance counsellor if this is your situation.

Prerequisite Courses

- Most courses in high school require a prerequisite course. A prerequisite course is a course which must be successfully completed before a student can proceed to the next level.
- It is the student's responsibility to ensure they have the appropriate prerequisite course before selecting courses.
- Talk to your guidance counsellor or subject teacher to ask about prerequisites.

Minimum Course Requirements

- Grade 11 students (no spares). We are building a program to ease your grade 12 year.

Other Information

- All 20 complementary courses have prerequisites with the exception of Sociology/Psychology 20

Teacher Initial for AP cohorts

- Ask your subject teacher for an initial on your course selection sheet if you are asking for AP courses.

General Guidelines for Academic Success & Wellness

- Take a maximum of 6 core courses per year (3 in each semester). Students often take extra academic classes to keep more doors open but this can result in a lower average if the student is over burdened.
- Choose the academic stream (-1, -2, -3) for each subject carefully in consultation with your subject teachers and your parents.
- Include physical activity in or outside of your timetable.
- Include complementary courses in your timetable.
- Get involved in extra-curricular activities.

Course Selection Process

1. Guidance Counsellors give a virtual presentation of the course selection process to Grade 10 students on **February 3**.
2. Students/families fill in the course selection form including a parent signature.
3. Put your course requests into PowerSchool. **Please have these entered no later than February 12th.**
4. Please return a copy of the signed course selection form to the classroom in which you saw the virtual presentation by **February 12th.**
5. We will have the opportunity for students to ask questions at an assigned time in the computer lab.

Ask Questions

- Ask your guidance counsellor or your subject teacher if you have any questions
- While your selections are not written in stone, it does become more difficult to request a course change after this point.

Guidance Counsellors

- **At William Aberhart High School, Guidance Counsellors work according to students' last names:**
- **A-G** Mr. Crawley, mpcrawley@cbe.ab.ca
- **H-N** Ms. Arrell, sdarrell@cbe.ab.ca
- **O-Z** Ms. Verwaayen, rsverwaayen@cbe.ab.ca

Creating Timetables

- We work hard to create timetables given the student's top choices.

- Our timetable is created based on students' course requests along with our teacher allocation and resources.
