Board of Trustees' Message to the Class of 2026

Dear Graduates,

On behalf of the Board of Trustees, we extend our warmest congratulations to each of you on reaching this remarkable milestone. Today is a celebration of your hard work, your perseverance, and the many experiences that have shaped your learning journey.

As you prepare to begin the next chapter of your lives, we encourage you to view this moment not as an ending, but as a beginning filled with possibility. Your time with the Calgary Board of Education has equipped you with the knowledge, skills and confidence to navigate whatever comes next.

As you step into the wider world, we hope you do so not only as graduates, but as thoughtful and engaged citizens. One of our greatest aspirations for you is that you recognize the role you play in shaping your communities and contributing to a society that values respect, responsibility and compassion. Whether through your voice, your actions or your leadership, we trust that you will continue to participate actively, think critically and help build a future that reflects the best of who you are.

As we celebrate your achievements today, we look ahead with confidence in all you will accomplish. We know you will continue to learn, grow and make a positive difference in the years to come.

Congratulations, Class of 2026.

Sincerely,

The Calgary Board of Education Board of Trustees

Calgary Board
of Education

Chief Superintendent's Message to the Class of 2026

To the CBE Class of 2026,

Graduation is not only an individual milestone, but also a celebration of years of learning and growth within a community that has walked alongside you from your earliest days of school to this moment.

You are an important part of this community. You joined your fellow students in classrooms filled with questions and curiosity. Teachers noticed your strengths and challenged your thinking. Support staff helped ensure you felt seen, welcomed and cared for. Families and community partners stood alongside you, helping connect your learning to the world beyond school.

Over the years, you have learned to solve complex problems, ask better questions and consider perspectives beyond your own. You have learned how to collaborate and how to keep going when the work felt difficult. The mindset and values you've developed will serve you well, far into the future.

As you walk across the stage today and move forward into the future, carry with you the understanding that learning does not end here. Stay curious. Seek out people who think differently than you do. Contribute your skills with generosity. Wherever you go next, remember that you are part of a broader community built on shared learning and mutual responsibility.

Congratulations, Class of 2026. We are proud of you and excited for all that you will continue to learn and become.

Sincerely,

Joanne Pitman

Chief Superintendent of Schools
